Higher rate of Conveyance allowances in the Food Dept — Revision of

of Conveyance allce

Extract from ~~the~~ File No.A.258-43-1,& 2 RE: Grant of Rs.25/- p.m. to the Police Inspector, under the Rationing Scheme, Bangalore City.

1. My only anxiety has been to see that the grant of allowances to officers is regulated by certain general principles to be applied uniformly. There have, however, been so many exceptions made specially in the case of the Supply Department, in enforcing the normal provisions in this respect that it is difficult to deal with proposals coming up from time to time

2. It is true that a departure from the rules re: maintenance of a particular conveyance, was allowed in the case of Food Inspectors and Asst. Inspectors; and I concede that it may look somewhat ~~indix~~ invidious not to allow a similar concession in the case of the Raid Party Inspector. Since a general order has been issued on 15-1-1944 in regard to this matter, I suggested that the case now under advertence should be regulated by that Government Order. If, however, the administrative Department consider that the concession shown in other cases should still be shown in this case also, the file may be submitted to the Dewan for orders.

3. I may in this connection also say that the provision in para 3 of the Govt. Order dated 15-1-1944, permitting continuance of higher rate of allowance in existing cases, has led to some anomalies and I would suggest that a revision of these also may be taken up.

In accordance with the above instruction the D.F.S [redacted] furnished a list of officials and non-gazetted officers who are allowed to drawn higher rates of Conveyance allowances under prescribes vide G.O. dated 11-15.1.1944, as furnished by the Auditor and Accounting officer of the Dept. As suggested by the D.F.S a list of conveyance allowances drawn by the officers of the F&S Dept was obtained from the Comptroller (Vide his letter no 354/CAD dt 26.6.1945) who observed that Messrs. A.N. Arunachalam R Ramachandra rao Bhambore T Ranganathan and M.O Rahman Khan are in receipt of Conveyance allowances in excess of the scale fixed in G.O. dated 11-15.1.1944 "which in itself appears to be liberal Compared with the rate of Conveyance allowance granted in other departments — such as P.W.D."

Mr. R. Ramachandra Rao Bhambore has been granted a C.A. of Rs. 50/- pm. Vide G.O. no 2116-117/A104-43-5 dt 19/23.10.1944 This allowance is non-pensionable and does not form part of his pay for purposes of leave salary, pension, etc.

35) The Auditor and Accounting officer has expressed the opinion that the higher rates of conveyance allowances, drawn by the several officers as pointed out by the Comptroller (vide enclosure to Comptroller's letter No 354/CAD dt 26.6.46) might be allowed to be drawn as personal to them and that the Nominal rate

57819 Re: Revision of the higher rates of H.A. drawn by the officers of the Ford Depot

Sanctioned in G.O. No. Fd. 4577-88/A123-43-9 of 11-15/1/1944. It will be enforced as soon as these officers are changed.

3(b) The D.F.S. on the other hand has stated that higher rates of Conveyance allowance have been sanctioned in a few cases (e.g. to the Retaining officer, Bangalore city and the Assistant Director of Ford Supplies in charge of depot, Bangalore city at Rs. 75/- p.m. as against Rs 50/- as per G.O. dated 11-15. 1. 1944) after due consideration and that it would be unfair to deny the benefit to the new incumbents. He has therefore recommended that these higher rates of conveyance allowance might be attached to the respective posts so as to obviate the necessity of obtaining separate sanction at each change in the personnel. This proposal is favoured.

* The following officers have been granted a C.A. of Rs. 75/- p.m.
Messrs
(i) T. Ranganathiah
(ii) A.N. Ananta-ramaiya.
(iii) Syed Abdul Rahman
(iv) M.K. Appajappa

3) The above proposal of the D.F.S ignores the cases of officials drawing higher rates of Conveyance allowances which is also intended to be revised along with those of the officers in the general scale (vide G.O. dated 11-15.1.1944). The Auditor's opinion (Para 35) which is in accordance with the observations of the Financial Secy in Para 3 above are the might be made applicable to the Ford Depot officers and officials, and accepted with immediate effect. 2) Please find up the file leading to the G.O. dated 11/15.1.44.

2) At present there are several classes of non-gazetted officers in the D.S. Deptt who are in receipt of different rates of C.A. The circs. under which each class of officer was given a separate rate of C.A. may be examined and briefly noted upon, so that revision of the rates, so as to secure some uniformity may be made as contemplated in the Joint Secys' note para 8.

3) The G.O. dt 11/15.1.44 prescribes the varying rate of C.A as according to the Conveyance maintained and does not lay down the kind of Conveyance each class of officers has to maintain. This point may have to be examined by the D&S and proposals may have to be obtained from him about the scale of C.A. that should be admissible to subordinate executive officers of the Deptt.

The different rates of C.A. now being drawn by the several classes of non-gazetted officers were sanctioned separately on the merits of each case considering the nature of duties entrusted to each officer and the extent of his jurisdiction.

(a) The conveyance to be maintained by each class of officers cannot also be prescribed as most of the non-gazetted officers cannot maintain cars or motor-cycles. They have to engage hired conveyances and on the strength of their certificates, C.A. will have to be passed as is being done at present.

(b) Considering all aspects, the existing rates

The D.F.S. is not in favour of having uniform rates of C.A. and proposes, That the C.A. attached to the several posts may be paid on their incumbents certifying that they have incurred expenditure not less than the C.A. on hired Conveyances. He is also not in favour of specifying the Conveyances each Class of Officer has to maintain.

As regards his statement That C.A. in each case has been fixed on merits on Consideration of the nature of work and jurisdiction of each post, it may be said That there are some patent anomalies. The following are some of the instances:-

(a) While one Asst. Rationing Officer of one circle in Bangalore city is allowed a C.A. of Rs 30/- without a motor cycle, an ARO of another circle in the same city is granted a C.A. of Rs 25/- only for which he has to maintain a motor cycle.

(b) While the Rationing Officer, Davangere, a big town, is allowed a C.A. of Rs 10/- only as Cycle allowance, Food Inspectors, Sheristadars are getting a C.A. of Rs 20/- without maintaining a Conveyance but furnishing a certificate of having incurred the expenditure on Lines Co...

53) It has been observed therein that conveyance allowances are meant to be given for maintenance of a conveyance and therefore the quantum of allowance should depend on the nature of vehicle maintained and the jurisdiction involved.

54) It has also been suggested that in the case of cities like Mysore, Bangalore, where motor conveyances are maintained, the limit of C.A. may be fixed at Rs. 75/- per mensem and in other places at Rs. 50/- per mensem. For motor cycles, a uniform rate of Rs. 25/- may be fixed. For cycles the rates may be fixed at Rs. 7-8-0 in the Cities

2) As horses are very rarely maintained nowadays, there is no need to regulate C.A. for maintenance of horses. 3) The rates of conveyance allowance now being drawn in the Food Supplies Department bear no relation to the class of conveyance that is expected to be maintained by the officers of that class.

4) The Director of Food Supplies ~~statement~~ statement that C.A. will have to be passed on the strength of certificates that conveyances are hired by the officials. This cannot be admitted as a matter of course, as these certificates get the habit of being given as a ~~matter of course~~ routine. hired conveyances and it is but fair to re-imburse them for the expenditure. The scales of conveyance allowance may however, be made uniform generally for the same grade of officers and the same kind of work, without specifying the maintenance of any conveyance obligatory, these allowances being continued to be paid as at present on production of certificate that expenditure of not less than that amount has been incurred on hired conveyance or otherwise. OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

Bangalore, dated 10th June 194 6.

FROM

G. SUNDARA RAO, ESQ., B.A.,
Director of Food Supplies
in Mysore, Bangalore.

To

CHARLES E. NORONHA, ESQ., M.A.,
Secretary to Government, Development
Department (Food Supplies), Bangalore.

IR,

Subject: Higher rates of C.A. drawn by the Officers and officials of the Food Department.

With reference to your letter No: SD. 507/A.115-44-5 dated 24th July 1945, on the above subject, I have the honour to state that the Auditor & Accounting Officer of this Department who was consulted in the matter has furnished his opinion as noted below:-

> "The higher rates of Conveyance Allowance drawn by the several officers as pointed out by the Comptroller may be allowed to be drawn as personal to them. The nominal rates sanctioned in Government Order No. SD. 4577-88/A.123-43-9 dated 11/1/1944, may be enforced as soon as these Officers are changed"

2. In this connection, I write to state that higher rates of conveyance allowance have been sanctioned in few cases, e.g., to the Rationing Officer, Bangalore City and the Assistant Director of Food Supplies (Depots), Bangalore, after due consideration in view of the work involved on them and extensive inspection work throughout the City. Having allowed this higher rate to 2 or 3 incumbents as in the case of the Assistant Director of Food Supplies (Depots), it will be unfair to deny the benefit of higher rate to the new incumbents.

3. Hence, I request that sanction of Government may kindly be obtained for these higher rates of conveyance allowance being attached to the respective posts to obviate the necessity of sanctioning

The different rates of conveyance allowances sanctioned to the nongazetted officers of the Food Supply Department and now obtaining thereinhave all been sanctioned by Government on the recommendation of the Director of Food Supplies on the administrative side. Proposals for standardising these varying rates into some uniform ones so as not to give room for discontent and anomolies have therefore to be drawn up by the administrative branch. Needful may kindly be done.

As regards the conveyance certificates insisted on in audit for the different rates of C.A., the present practice in audit is given below.

A conveyance allowance of Rs.10/- P.M. has been sanctioned to Spl.Rev.Inspectors and Asst.Food Inspectors and since only a cycle is to be maintained by them as per G.O.No.SD.4577-88/A.123-43-9 dated 11/15-1-1944, the printed certificate in the pay bill form (item No.7) is quite sufficient and no separate certificate is insisted upon in audit.

The Food Supply Inspectors attached to the offices of the Director of Food Supplies, District Offices, Mysore & Bangalore, the Spl.Sheristedars and Food Inspectors at Mysore and Bangalore are allowed conveyance allowances at Rs.20/- P.M. each and a hired conveyance allowance certificate to the extent of Rs.20/- only countersigned by the drawing officers is insisted upon in audit in accordance with G.O.Nos.SD.16927-31/A.155-42 dated 1-5-43 and SD. 6688-89/A.85-43- dated 30/31-3-1944.

A similar certificate is obtained in passing the C.A. of Rs.15/- P.M. sanctioned to the Auditor Superintendents of the Rationing Offices Bangalore and Mysore Cities.

The C.A. of Rs.25/- P.M. sanctioned to the two Police Inspectors attached to the Director's Office, Bangalore and one Police Inspector of Rationing Office, Bangalore City is passed in audit after obtaining a certificate to the effect that the officers have maintained Motor Cycles and used them in discharging public duties during the month as per G.O.No.SD.4577-88/A.123-48-9 dated 11/15-1-1944.

As per G.O. No.SD.4724-26/A.76-43-12 dated 17-1-44

Mr.A.H.Gop

C.A. of Rs.30/- p.m. This is being admitted on a hired conveyance certificate.

G.O.No.SD.457-88/A.123-43-9, dated 11/15-1-1944, prescribing, among other things, the following scales for regulating the grant of conveyance allowances to the officers of the Food Department:-

---

Order No.SD 57-82

Dated 17th July 1947.

It is observed that the rates of conveyance allowance now being drawn by the officers in the Food Supplies Deptt. bear no relation to the class of --

conveyance that is expected to be maintained by the officers of that class and require to be regularised. Conveyance allowances are not to be given for the maintenance of a conveyance and therefore the question of allowance should depend on the nature of the vehicle maintained and the jurisdiction involved.

2. The D.F.D. who examined the question/revision of the rates of Conveyance allowance in the Food Department has reported that the different rates of conveyance allowance now being drawn by the several classes of non-gazetted officers were sanctioned on the merits of each case considering the nature of duties entrusted to each officer and the extent of his jurisdiction.

3. The conveyance to be maintained by each class of officers in the Food Department cannot be prescribed as most of the officers in the non-gazetted cadre cannot afford to maintain either a motor car or a motor-cycle. They have in the interests of expeditious despatch of Government work, to engage hired conveyance and it is but fair to re-imburse them for the said expenditure on the strength of their certificates as is being done at present. The scales of conveyance allowance may however be made uniform generally for the same grade officers and the same kind of work.

He has accordingly furnished a statement showing the several grades of gazetted and non-gazetted officers with the scale of conveyance allowance proposed for each of them.

4. On a careful consideration of the whole matter, Government are pleased to direct that the existing rates of conveyance allowance in the Food Deptt. may be continued and that the several non-gazetted officers permitted to draw the allowance attached to their respective posts on their furnishing certificates duly countersigned by the superior officers that they had incurred expenditure of not less than that amount on hired conveyance. In cases in which the scale of conveyance allowance proposed by the D.F.S. in the appended statement is lower than the existing scale, the existing incumbents may be permitted to draw the present rate of conveyance allowance, the revised rate being given effect to on change of incumbents. Note No.C2-C.2010/44-5, dated 5-6-1947, from the Director of Food Supplies furnishing a list showing conveyance allowances drawn by the officers of the Food Department at rates higher than those prescribed in the Government Order read above and submitting proposals regarding revision of the scale of conveyance allowance in the case of officers and officials of the Department.

ORDER NO.SD. 577-82/A.116-44-7,

DATED, BANGALORE, THE 17th JULY, 1947.

It is observed that the rates of conveyance allowance now being drawn by the officers in the Food Supplies Department bear no relation to the class of conveyance that is expected to be maintained by the officers of that class and require to be regularised. Conveyance Allowances are meant to be given for the maintenance of a conveyance and therefore the quantum of allowance should depend on the nature of the vehicle maintained and the jurisdiction involved.

2. The Director of Food Supplies who examined the question of revision of the scales of conveyance allowance in the Food Department has reported that the different rates of conveyance allowance now being drawn by the several classes of non-gazetted officers were considered on the merits of each case considering the nature of the duties entrusted to each officer and the extent of his jurisdiction.

3. The Conveyance to be maintained by each class of officers in the Food Department cannot be prescribed as most of the officers in the non-gazetted cadre cannot afford to maintain either a motor car or a motor bicycle. They have, in the interests of expeditious despatch of Government work, to engage hired conveyance and it is but fair to reimburse them for the said expenditure on the strength of their certificates as is being done at present. The scales of conveyance allowance may, however, be made uniform generally for the same grade of officers and the same kind of work. He has, accordingly, furnished a statement showing the several grades of gazetted and non-gazetted officers with the scale of conveyance allowance proposed for each of them.

4. On a careful consideration of the whole matter, Government are pleased to direct that the existing scales of conveyance allowance in the Food Department may be continued and that the several non-gazetted officers permitted to draw the allowance attached to the respective posts on their furnishing certificates duly countersigned by the superior officers that they had incurred expenditure of not less than that amount on hired conveyance. In cases in which the scale of conveyance allowance proposed by the Director of Food Supplies in the appended statement is lower than the existing scale, the existing incumbents may be permitted to draw the present rate of conveyance allowance, the revised rate being given effect to on change of incumbents. But if the scales proposed,

But if the scales proposed, are higher than the existing scales, the higher scales may be given effect to from the date of this Order.
